SIMONA BISIANI

PERSONAL PROFILE

My education sits at the intersection of journalism and computational social science. I am a communicator, a storyteller, a social individual.

I also have a curiosity for data science and computational techniques. Whether it is data journalism, computational journalism or straight data science, I am looking to apply myself within those, and contribute with my eagerness to learn and shape the future of the media industry.

EDUCATION

2019-21 MSc in Computational Social Science, Linköping University

2014-17 Journalism BA(Hons) at Robert Gordon University.
First Class Honours. Winner of Best Student Award during Stage 3. Class Representative for Stage 3 and Stage 4.

WORK EXPERIENCE

2022 • (Scheduled from Feb to May)
Internship at Sheldon Studio (IT)

2021-22 • Writer and Project Manager (internship),
DataJournalism.com, European Journalism Centre (NL)

2020-22 • Co-Founder and Data Journalist,
Computational Social Journalism (SE)

2019-21 • Communicator, International Student Recruitment
Social Media Editor and International Student Ambassador,
Linköping University (SE)

2018-19 • Supervisor of Junior Explorium, Explorium National
Sport Science Centre, Dublin, Co. Dublin, (IE)

2018 • Freelance Brand Designer, Web Designer,
Photographer and Social Media Manager

2017-18 • Filmmaker and Video-Editor intern at Videozoom, Kinsale (IE)

2015-17 • Receptionist, Skene House Hotel Suites, Aberdeen (UK)

2014 • Intern at Kyrkans Tidning, Stockholm (SE)
